A PICTORIAL STORY

JUNIOR COLLEGE, GOODMAN, MISSISSIPPI

DEDICATION

Thirteen years ago a young man, enthusiastic, conscientious, possessed with high ideals, and willing to undertake many duties, came to Holmes Junior College to take his place among the faculty members as teacher of science and coach of athletics. Through the following years, during which he faithfully performed his teaching duties, led the football and basketball teams to many victories, and loyally supported all activities of the school, his many accomplishments developed his capacity for leadership to the extent that in 1940 he was made president of this institution. To this sincere man, Mr. Ras M. Branch, who has served our Alma Mater diligently and capably, we are happy to dedicate this 1941-1942 edition of *Horizons*.
